

GCU Business Member Honored as 2011 Small Business Person of the Year By South Eastern Economic Development Corp. -“SEED”*

Congratulations to Mass-RI Veterinary ER, Inc. of Swansea, Mass!

GCU and SEED Corp. assisted Mass-RI Veterinary ER, Inc. with an SBA 504 loan in 2006 to relocate and expand their business to its current location near the Swansea Mall in Swansea, Mass. This veterinary practice started in 2005, employs 35, and currently provides 24 hour emergency and critical care to animals. According to SEED's recently issued news release: "Over the last six years, annual revenues have increased by 600 percent, and staff has grown from six to 36, including eight doctors of veterinary medicine. In 2007, SEED provided the practice with a \$277,000 loan under the SBA 504 Program in conjunction with Greenwood Credit Union for total financing of \$885,000. The financing enabled the practice to purchase a 5,100 square foot building at 477 Milford Road in Swansea to expand operations."

Al Ferri, our senior vice president of commercial lending, said, "All of us at GCU are proud of Dr. Michelle A. Lampe and Aaron Morrison, co-owners of Mass-RI Veterinary ER. And, we are proud to do our part in helping with their growth and success."

*SEED is a non-profit corporation certified in late 1982 by the SBA.

Message from the President

We hope that you and your family enjoyed a happy holiday season and we wish you all a Happy New Year.

In view of what has been another good year overall for the credit union, we are thankful for the good feedback from the members, for the strong support from our staff, and for the positive changes that will be coming to GCU in the new year.

Improving our service to members is always a goal, and this year, we'll be able to enhance our online capabilities, making banking more convenient for you. Online Account Opening is now available through our GCU website and Mobile Banking is in the works. And, eventually, an updated website will showcase these new technologies.

Of course, we always welcome your visits to the credit union. We are very happy that we maintain a personal relationship with you, which is often how we best learn how to help you. In creating this alternative, you can choose which is better for you.

At GCU, we are always looking to find new ways - through programs and services - to benefit our members. And, we appreciate what our members do to actively support many charities within the GCU community and beyond.

Happy 2012!
Jim Irving

GCU ON WPRI TV AND ON THE RHODE SHOW, TOO!

WE SHARED HOLIDAY GREETINGS ON WPRI-TV CH 12, AND GOOD NEWS OF HELPING OUR TROOPS ON THE RHODE SHOW

This year, while keeping with the WPRI TV Holiday Greeting tradition of sending holiday greetings from the staff to our members and friends throughout Rhode Island, the television station also asked us about our public service efforts. We had another wonderful opportunity to share news of our efforts with others who might help – we again invited other financial institutions to join us in helping deployed service members and those returning from deployment save money.

Recall this spring that we received recognition for our effort to reduce loan rates to 2% interest for our deployed service members. Early this summer, we received the 7 Seals Award for our efforts, but we also had issued a challenge to other, particularly larger, financial institutions to join us.

WPRI thought the public service effort was worthwhile, too! Rhode Show host, Michaela Johnson, together with videographer Ric Valles, interviewed Jim Irving and Jerry Leveille about the program, and the decision to extend that financial benefit to families for an entire year after their return home. We were also happy that the program manager for the Rhode Island Employer Support of the Guard and Reserve (RIESGR), Brian LaFauci, joined us; he was instrumental in communicating the internal messaging to the troops and including us in their recognition ceremony.

Hope you watched for our Season's Greetings message on WPRI Ch12, and let's hope the Rhode Show segment inspired others in this wonderful season of giving...and in the New Year.
